

SSRC 2024 PLAYER PAYMENT PLAN PROCESS

The SSRC Player Payment Plan is a supportive measure crafted to assist current and prospective members facing challenges in meeting the club's registration fees. To maintain a fair balance, the club emphasises the importance of preventing any misuse of this support. The collaboration of appointed coaches and managers is crucial to enforce the stipulated terms and conditions.

Players who have not fulfilled instalment payments will, consequently, be ineligible to participate in training sessions, matches and utilise club resources. To facilitate enforcement, the SBRU Administration Officer will provide an updated list early in the week to coaches and managers, aiding in the identification of players in breach of the agreement.

Sunnybank Rugby Union continually strives for a collaborative approach, emphasising a "hand up, not a handout" philosophy from their members. Alignment with this principle is paramount for effective management and the club's sustained success.
